About Us

## **Welcome!...And we do mean *Welcome!***

If you are like many, you have been searching for quite some time for a place that feels right and makes sense for the solution you are looking for.

Since 2001, 1<sup>st</sup> Step Referral Services has been providing substance abuse services for people just like you. We offer over 20 years of experience in the substance abuse field. However, no amount of experience or education can measure up to the passion we have for helping our clients meet their full potential.

*Isn't it time to move ahead?* Please browse our website to find out more about us and how we can help you with these substance abuse services:

- **Michigan Driver's License Restoration Evaluation**
- **Breaking the Cycle - Substance Abuse Education**
- **Outpatient Counseling**
- **Substance Abuse Assessment**
- **DUI Education - Long Distance Learning**
- **Drug Screening**

And, other great CBT programming:

- **Managing Anger Constructively**
- **If Nothing Changes**
